Message from the Student Diversity Committee - Among our student and staff we have many electives that you are familiar with including student diversity council. Our first ever Student diversity council is run by Mr. Shorter, and is made up of four sub groups including **Public Relations, Student Representatives, Student Outreach, and Event Planning**. Our goal is to teach children about diversity and inclusion in a way that is fun and interactive. We do this by encouraging others to speak up and fight for what they believe in. Our goal is to create an environment that is safe for all ages, genders, and races.

POSITIVE QUOTE OF THE WEEK (SUMMARY) - This quote reminds us to go after our dreams. If we never attempt to at least try, then we would never fully know the full extent of our abilities and greatness. Trying and then failing, is better than never trying at all.
