WUNDERKIND ADVENTURE CAMP

Wunderkind Adventure Camp is a new endeavor for Cornerstone Center for Early Learning and collaborating partners STOMP the World and St. Margaret of Scotland, therefore I anticipate learning moments on the horizon.

Because this is our first time offering this program, we cannot anticipate demand. For that reason, first priority for slots will be given to these aforementioned communities. If camp slots remain open on February 5, these remaining slots will be released to families outside of the immediate community.

Also, I am coordinating every step of the new camp with the Department of Elementary and Secondary Education (DESE). One of the last steps in the processing of paperwork for our new camp is to register for state financial assistance. Since I cannot predict the timeliness of approval, Wunderkind Adventure Camp may not be able to accept state assistance.

If you registered with the intent to use state assistance, please let us know whether you would like us to release your spot, or if you are able to commit to private pay should state assistance not be approved in time for the start of camp this year.

Thank you for your understanding.
