You are nacho average
teachers and staff!
Join us after school for a
happy hour celebration!

*Thank you for all that you do,
we appreciate you!*

ST. MARGARET OF SCOTLAND

Teacher & Staff Appreciation Week

**THANK YOU
TEACHERS**

The PTA has planned a week filled with events and treats to help show the incredible teachers and staff at SMOS how grateful we are for all that they do! **On Friday, we've planned a day of extra thanks and ask that students and parents PLEASE help us with this by showering our teachers with letters, emails, cards, drawings - anything that lets the know how much they are appreciated.** We believe notes of thanks coming directly from you mean the most to our teachers and though not mandatory, we are hoping for full participation!
