Asian pacific American Heritage Month - This month is Asian American and Pacific Islander Heritage Month. POSITIVE QUOTE OF THE WEEK (SUMMARY) – This quote tells us to reflect on the hard times that we have made it through. When we think of those times we remember how difficult those times were but during our most difficult times, we’ve learned some valuable lessons as well, and those past trials will help shape our future. It’s up to us as to whether we let a difficult time be a “moment in our life or whether that hard time gives us momentum to strive for greatness”.
