How can you help create a Christmas in July for the 800 households we expect to receive food at the St. Pius V pantry during each summer month?

Here's an idea! Hold a food drive. Items that are most appreciated include peanut butter, canned protein (tuna, chili, stew, spam) cereal, pancake mix and syrup, pasta and sauce, rice, beans, lentils, dishwashing liquid, laundry detergent, hygiene items (soap, shampoo, deodorant, razors), diapers, period products. **HINT:** If you shop at Aldi, Save-a-Lot or the Dollar Tree, your dollar goes farther.

Here's another idea! Donate funds so the pantry can purchase milk and other needed items. You can donate online at <https://www.stpiusv.org/food-pantry> or send a check made out to St. Pius V Food Pantry, 3310 S. Grand, St. Louis, MO 63118.

Thank you for your generous and on-going support!
